### EXAMINER'S AMENDMENT

- An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicant's representative, Stephen Siu, on 08/01/07.

- In the Claims filed on 05/25/07, please  
REPLACE claims 31-33 with the following claims 31-33 (without strike-through and underlining markings):

**31. The method of claim 28 further comprising identifying a value of the trie data corresponding to the at least one identified set bit, the step of generating trie data comprising including the value of at least one value field.**

**32. The method of claim 31 wherein the node further includes the at least one value field corresponding to the at least one bit, the identifying a value of the trie data corresponding to the at least one identified set bit including determining a value of the at least one value field of the node.**

**33. The method of claim 1 wherein the step of identifying the tag mask field including determining a presence of the tag mask field based on a value of the tag information field and a value of the tag bit.**

### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Prior arts of record do not render obvious, nor anticipate the combination of claimed elements including the technique of *generating trie data corresponding to the node based on the identified at least one set bit in the plurality of bits of the tag mask field* as recited in claim 1. Thus, claim 1 is allowed. Dependent claims 19, 21-24, 26-28 and 31-36 are allowed at least by virtue of their dependencies from claim 20 and 35.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
